

IRI INTERCESSION BULLETIN—DECEMBER, 2009

Psalm 2: 1-2 Why do the nations rage, and the people plot a vain thing. The kings of the earth set themselves, and the rulers take counsel together against the Lord and His anointed - Ps 83 - They take crafty counsel against Your people and say Come, let us cut them off from being a nation, that the name of Israel may be remembered no more.

The United States of America, and the EU, continue to conspire to divide God's chosen city, Jerusalem, while Israel's neighboring enemies, declare five times a day, in prayer every day, of every week, of every month, of every year, for Israel's destruction and the annihilation of the Jewish people. That means there is a monumental amount of declarations going out into the spirit realm.

We too, are called to declare and make decrees. *Every tongue that rises against us in judgment shall be condemned.* Let us arise to the occasion to trump those evil declarations with the declaration of God's word.

We condemn every word, every curse, every word from our enemies, that come against Israel and His anointed, to be wiped out, blotted out, condemned, to fall to the ground worthless, powerless, without authority in the name of the One who has all authority, the God of Israel.

Here are a few "trump cards" to make your declarations over the plans of the enemy
*Revelation 11:15 - Amos 9:14,15 - Psalm 2 - Psalm 3 - Psalm 83 - Isaiah 10:27
Ezekiel 34:27*

We declare Israel's existence, we declare Israel's presence, we declare Israel's right to be the nation God destined her to be, and for Jerusalem to remain in Jewish hands and authority, in preparation for the establishment of His kingdom rule in that city, the city of the God of Israel.

Let us "trump" the enemies declarations with God's declarations, daily.

Aliyah - *Ezekiel 36:24 For I will take you from among the nations, gather you out of all countries and bring you into your own land*

4,000 American Jews have immigrated (made Aliyah) over this year, a 33% increase over 2008. A big reason for the increase is due to the financial crisis and economic downturn. Many immigrants have a long standing desire to move, but the economic

crisis has pushed them to make the move this year. North American immigration is making a significant impact and contribution to the Israeli economy. Immigrants who came between 2002 and 2008 have contributed directly \$262 million to the Israeli economy.

There has also been increases in Aliyah from the European countries, especially UK and France, South Africa and South America.

** Pray for more American Jews to be unsettled by the economy but stirred by the benefits being offered to them by Israel and to make the move back to their homeland.*

** Pray there will be a national awakening in the heart of every Jewish person still living in USA, Europe and every nation, that now is the time to move back to Israel*

** Pray for all the “stones” and “pharaohs” that stand in the way of Jewish people making Aliyah to be removed and to crumble.*

** Pray that many will see the blessings and understand the financial benefits of living in Israel*

** Pray for many more professional Jewish people to make Aliyah*

** Pray that all the Jewish people still in exile will be set free from any fears of returning to the land. They are not truly a part of Israel living in other nations. (Ezekiel 36:20) When they came to the nations wherever they went they profaned My holy name, when they said to them, These are the people of the Lord, and yet they have gone out of His land.*

** Pray the current worldwide economic shaking will cause hundreds of thousands of Jews to return to Israel.*

** Pray for the Church to understand the important and prophetic significance of Aliyah and their calling to assist in this prophetic act.*

** Pray that God will continue to use every circumstance to cause Jewish people to rethink their future for them and their families, and the option to return home now while they can.*

Rain -

We need another heavy downfall of rain, it has remained relatively dry, with just a few showers over the last month. The water levels are still extremely low.

** Pray for the rain of heaven to fall again. We need another heavy fall of rain and also let us pray for a good snowfall this winter.*

** Pray that the God of heaven and earth will open up the portals of heaven and release the rain.*

** Pray that God will be merciful and fill up all of Israel's underground aquifers this winter.*

** Pray for the land to be saturated this winter and the Sea of Galilee be filled*

** Pray for His mercy on the land and to remember His weary inheritance with rain*

Government - *Isaiah 11:2 The Spirit of the Lord to rest upon (our government) The Spirit of wisdom and understanding, The Spirit of counsel and might, the Spirit of knowledge and of the fear of the Lord.*

Our Prime Minister has come under tremendous pressure and has actually bowed down to the demands of the USA for a 10 month settlement freeze in Judea and Samaria.. This has caused widespread violence and anger and uncertainty, with ugly violent clashes already taking place between settlers and the IDF soldiers.

This Tuesday the EU currently headed by Sweden is planning to officially recognize a Palestinian state with East Jerusalem as its capitol. This of course is definitely not the plan of God for Jerusalem.

- * *Pray that this situation will not escalate into another Gaza situation*
- * *Pray that the plans of man for Jerusalem will be aborted*
- * *Pray for our government to remain strong, and stand, and not bow down to the demands and manipulations of the nations.*
- * *Pray for the spirit of Samson to be upon our Prime Minister, of power*
- * *Pray for God's authority to be released upon him, for wisdom and to choose God's ways, not mans ways for Israel. To make the right decisions for Israel.*

Israeli Friends - *Jeremiah 31:18 - Restore me, and I will return because you are the Lord my God*

Would you continue to uphold these precious Israeli friends before the throne of grace to ask the Lord that He would draw them to Himself - **Smadar and Israeli Levi, Shlomo and Yehudit Zayit, Mel and Gita Cornfield, Tami, Neeva, Uriah, Hana Sherbo** -

- * *Pray for theirs and all the Jewish peoples restoration of relationship back to the Father, the God of Israel.*

Intercession/Worship Watch on Mt. Carmel - I am now participating in a weekly intercession/worship watch at Carmel Assembly Mt. Carmel, with Karen Davis. It is just a small group of about 15-20 people. It started about a month ago, and the Lord has been meeting us each week as we meet in the sanctuary to offer ourselves before Him, to enthrone Him and petition Him, on behalf of His nation and people, for protection, deliverance, salvation, and revival. Hopefully in time, other watches will be added.

- * *Pray that each of our anointings/streams of living waters would be released every week, to mingle, and be offered up as sweet incense before our King. That there would be continue to be strong unity which brings the anointing of His presence.*
- * *Pray that we will know His heart and heartbeat and that He will continue to open the eyes of our heart to see Him and to have revelation and understanding of what we "see" and how to pray effectively.*

Evangelism - *Ezekiel 36:24/25 - I will cleanse you from all your filthiness and I will cleanse you from all your idols. I will give you a new heart and put a new spirit within you, I will take out the heart of stone and give you a heart of flesh.*

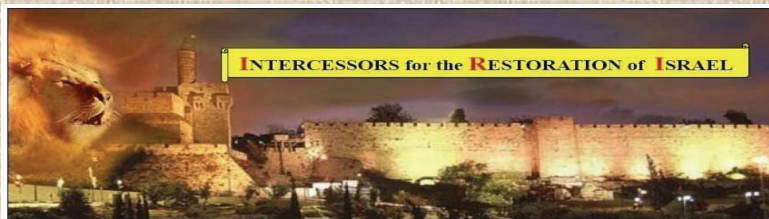

Just in recent weeks, there has been signs of a number of Israelis seeking Messianic believers to learn about their Messiah. They appear to be genuinely searching for truth, there is a hunger and interest to fill the void that is inside of them. We do not despise the day of small beginnings and we know that even this small glimpse of genuine interest, is the result of a combination of intercession and evangelistic outreach.

* *Pray for further divine appointments and meetings*

* *Pray the Lord will bring those seeking into the path of Messianic believers who can explain, talk, and hopefully lead them to truly be transformed by the Holy Spirit*
